

TGIF Update 6

Toll Green Improvement Fund - 4 July 2011

News

The planning application submitted by the Community Council has now been approved by Fife Council. A big thank you to Alistair Graham, the Project Architect, for all his hard work in getting us to this stage. This is a key milestone and major achievement in itself! Work will commence as soon as Fife Council instruct their contractors.

Fundraising

The total raised has now reached **£19,058.73** so we're almost there! Can we make our target by the end of the summer? With your help we can!

Almost £450 was realised from the recent 'Table Top' Sale, which was a very successful first for Toll Green. A big 'thank you' goes to the organiser Carol Birrell and her helpers. Perhaps another one could be put on – any volunteers?

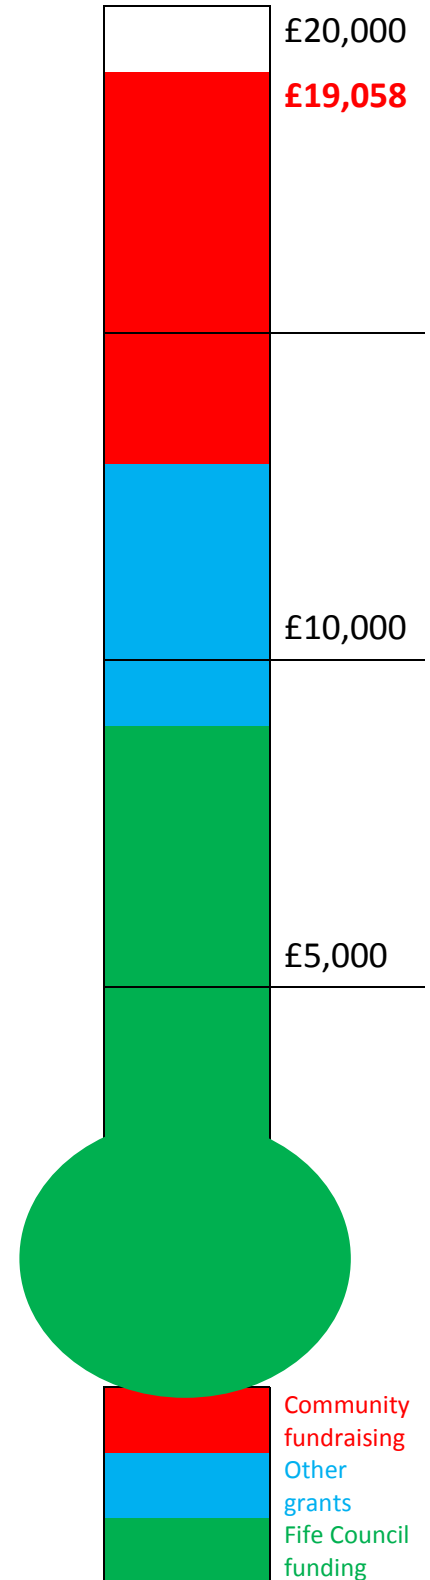

Three local organisations have kindly given donations since the last update. These are **Elie Primary School PTA**, who made a donation from their School Fete, the **East Neuk of Fife Preservation Society** and **E&E Improvements Association**. Each of these donations is very much appreciated so a big 'thank you' to all three groups for their support.

The **Piggy Banks** have been emptied again and this has brought in an amazing **£244.06!** That's a lot of loose change so thank you to all the shops and businesses that are supporting this. Please keep encouraging your customers to give the little piggies any small change!

A **Summer Quiz** is being prepared and will be available shortly from Elie Newsagents and other selected shops. This general knowledge quiz has been designed to have a wide appeal and will cost only £1. All monies raised will go to the TGIF Fund, so please buy some for your family and friends.

Individual donations continue to come in and the latest include very generous donations from Mr R Dickson, Mr & Mrs A Marr and Mr & Mrs B Burgin. Thank you all!

*Please keep the donations coming in – we are not there yet!
You can help us reach the target by organising an event and/or
donating some cash. Thank you!*
